

HAMMERHEAD Bike Computer "Karoo"

scope of delivery: bike computer, handlebar clamp Ø 31,8mm, adapter for bracket with 1/4 rotary, charging cable USB-C to USB-C, safety loop

RRP: 500,00 €

Discover a new dimension of cycling with the Hammerhead Bike Computer "Karoo". The GPS computer offers comprehensive functions for training and navigation, combined with seamless connectivity to SRAM AXS products for a first-class experience on all your tours.The Hammerhead "Karoo" has a 3.2-inch screen with a resolution of 480 x 800 pixels, which delivers razor-sharp details. Driven by a powerful 2.0 GHz quad-core processor and equipped with 64 GB of spokes and 4 GB of RAM, this Bike Computer offers smooth performance and plenty of space for your data.With its comprehensive connectivity via ANT+ and Bluetooth, you can connect a variety of sensors for a precise training experience. For example, the cadence can be recorded via the connection to the SRAM AXS cranks or your heart rate during training with a chest belt. In addition, the "Karoo" supports a variety of satellite constellations, including GLONASS, GALILEO, QZSS and BEIDOU, to ensure reliable positioning even in remote areas.Thanks to the USB-C charging function, the Hammerhead "Karoo" is charged in a flash: You'll reach 30% battery capacity after just 30 minutes, and the battery is fully charged within just 2.5 hours. With a battery life of over 15 hours, you can go on long rides without worrying - even in the rain, as the computer is IP67 waterproof.

Datos maestros

Número de artículo del proveedor:	00.3018.396.001
EAN	710845908262
UVP	500,00 €
Número de registro RAEE	DE92509320
Bidex-Code	301310
DST-Code	2F01
Fedas-Code	160954
SB-Artículo	No
Marca/Proveedor	HAMMERHEAD
Unidad de medida:	PIECE
Weight	0.346 kg

Datos técnicos

Alimentación eléctrica	battery mode
Artículo	Article
