

CONTEC Stand Pump "Air Support Max"

black / sage green

RRP 49,95 €

Maximum volume for your bike tire, your camping air mattress or your inflatable pool: the Air Support Max hand compressors from CONTEC provide your adventures with plenty of air pressure, no matter what you have in mind. Thanks to the triple valve head, the Stand Pump fits Auto (AV), Presta (SV) and Dunlop valves (DV). Just a few strokes are enough to reach the maximum pressure of 11 bar or 160 psi. While you are pumping, you always have the air pressure in view - the large and easy-to-read Pressure Gauge is an accurate indicator of bar and psi. The Air Support Max is 67 cm high and has a 100 cm long tube, giving you plenty of room so you don't have to manifold your back. The comfortably shaped Retaining Loop and large foot are two further plus points for your ergonomics. The Stand Pump is made of high-quality steel and plastic and is available in two paints.
