

Busch + Müller Rear Light "Toplight 2C E"

6 in workshop package

RRP: 13,90 €

If you are looking for a cool rear light for your bike, then the BUSCH & MÜLLER LED Carrier Light "Toplight 2C E" is just the thing for you.With this rear light, you can not only make your rides safer, but also more stylish. The connection is super simple and can be made either via the separate light connection of your engine (e.g. Bosch, Shimano) or via the matching rear light output of your e-bike Front Light.What really sets this rear light apart is its large-area Z reflector. This means that you are not only seen, but also emit light yourself to navigate safely through traffic.
