

CONTEC Glasses "Bliss Photochromic"

matt black / clear

RRP: 65,95 €

CONTEC has something for every taste. Whether colorful or a little more simple. Our Bliss sport glasses have a matt black G850 plastic full frame. The material of the glasses is very light and flexible. The Sport Glasses have self-tinting lenses that adapt to the ambient brightness. This means: when you are indoors, the lenses are clear and as soon as the sun shines on them, the lenses darken. The CONTEC Bliss also offers 100% UV protection and a secure fit thanks to the non-slip Nose Pads.
