

CONTEC Glasses "Pulse Revo"

matt polar white / gray

RRP: 29,95 €

The CONTEC Pulse is ideal for active MTBs, gravel or road cyclists who always want to keep a clear view. Thanks to the G850 plastic bars in matt white or matt black, the frameless glasses are flexible and robust! The durable coating on the lenses reduces front lights from the sun's rays or other light sources. They also offer 100% UV protection. The large lenses in gray or gold give you an excellent view of your surroundings.
