SRAM Rotor "Paceline X"

Ø 160 mm, without Lock Ring, assembly packaging

RRP: 79,00 €

The SRAM Paceline X brake rotors with center-lock mount are two-piece high-end rotors for road, gravel and cyclocross bikes. It combines a stainless steel friction ring with a black aluminum Spider, which reduces weight and at the same time enables smooth, even braking performance. The rounded outer edges facilitate wheel installation and comply with current safety and UCI regulations, while the Paceline friction surface is designed for particularly smooth and quiet brakes.
