

CONTEC Rear Light "TL-120"

with parking light function

Price: 5,50 €

Small, reliable and safe - the CONTEC "TL-120" LED Rear Light is the ideal solution for anyone who values compact and powerful lighting on their bike. Equipped with a bright LED, it ensures good visibility in traffic, while the integrated reflectors provide additional safety. The Rear Light is conveniently attached to the Fender (M5 x 15) and impresses with its high-quality plastic housing. Thanks to the integrated capacitors, which can store electrical energy, the light remains on for a short time even when stationary - a plus in terms of safety when stopping. The two connections with push&pull plugs make installation quick and easy.
