

AXA Mounting Set "Flex Mount"

For fastening locks without mounting holes, Mod 25

RRP: 12,95 €

How to secure the locksAXA's "Flex Mount" are 2 flexible mounting strips that can be used to easily attach a lock to the frame of a bike.If there are no mounting holes in the frame of the bike to mount a ring lock, then these flexible strips are ideal. The attachment is also practical if there are no holes in the frame for a Bottle Cage, but you still want to attach a folding lock to the frame.The strips also fit on various frame tubes. They are suitable for the "Defender", "Solid Plus" and "Solid" bicycle locks from AXA.
