

CONTEC Control tube adapter "HTM.KF QiO"

black

Price: 29,99 €

The CONTEC HTM.KF QiO front carrier has been specially developed for the compact QiO bikes and fits perfectly into the frame design, both visually and functionally. The integrated Klickfix mount makes it easy to securely attach baskets or bags to the bike - and remove them just as quickly. With a load capacity of up to 7 kg, the carrier is ideal for everyday shopping, the office or short tours. The high-quality, powder-coated aluminum ensures stability and durability while remaining lightweight. Naturally, the HTM.KF QiO is ISO 11243 certified and therefore meets high safety standards. With the CONTEC HTM.KF QiO, your QiO bike gets a custom-fit, durable and safe transport upgrade.
