

CONTEC Carrier "HTM.Tray M"

black

Price: 44,99 €

The CONTEC front carrier HTM.Tray M is the well thought-out transport solution for Euroboxes in 20×30 cm format and other luggage up to 10 kg. Thanks to the integrated lashing straps, you can secure your load safely and quickly. The carrier also offers screw-on points for bottle cages or foldable locks as well as a practical lamp holder eyelet for added safety. Made from powder-coated aluminum, the front carrier impresses with its stability, durability and low weight. The 6.5° tilt adjustment ensures that the carrier can be precisely aligned so that your box or Bag always sits securely. The ISO 11243 certification stands for tested quality and safety in daily use. Thanks to the HTM 2.0 interface, the HTM.Tray M is compatible with numerous bikes from Victoria, Conway, Contoura and QiO. This makes it the ideal solution for anyone who wants to use standardized transport options such as Euroboxes on their bike - whether for shopping, luggage on tour or for professional use.
