

CONTEC Front Light "Prisma 60 E+"

black

RRP: 24,95 €

The Prisma 60 E+ is suitable for e-bikes with batteries ranging from 9 to 49 volts—so it can be used on everything from lightweight city e-bikes to large SUV-style e-bikes. It bears a German certification mark and is therefore compliant with the StVZO. Once connected to your e-bike's DC system, the LED Front Light delivers up to 60 lux or 280 lumens of brightness.Its front reflector is removable if, for example, you mount the Prisma 60 E+ on your handlebars using the separately available handlebar Holder and need space for a Handlebar Bag. Otherwise, a universal plastic Holder for attaching the light to the fork is included in the package.

Datos maestros

Número de artículo del proveedor:	51251681-6
EAN	4251971188624
UVP	24,95 €
