

CONTEC Cable Lock "Page X2 85/15"

Combo - with a 4-digit combination

RRP: 24,95 €

Remember: If you think your bike is nice, thieves probably do too—so protect what you love from theft! The CONTEC Page Combo X2 85/15 is an extra-strong Cable Lock rated at Security Level 6, making it ideal for your daily commute to school, for example.With all our locks, the names always indicate their length and diameter—so the Page Combo X2 85/15 is 85 cm long and 15 mm thick. The “X2” also stands for the excellent X2 Power: The Cable Lock is equipped with a precision locking cylinder encased in steel, which provides optimal protection against drilling, pulling, and impact attacks.The durable vinyl coating that covers the lock protects not only the lock itself but also the bike frame. Speaking of bike frames: With the included Holder, the Page can be easily attached to your bike—for example, to the Bottle Cage mounts or the Seatpost.The highly flexible steel cable can be securely locked using a 4-digit combination.
