High-quality security for your bike: The CONTEC Lord Combo X2 185/15 is an extra-reinforced Curly Cable Lock rated at Security Level 6, making it ideal, for example, for a longer stroll through town.With all our locks, their names always indicate their length and diameter—so the Lord Combo X2 185/15 is 185 cm long and 15 mm thick. The “X2” also stands for the excellent X2 Power: The Curly Cable Lock is equipped with a precision lock cylinder encased in steel, which provides optimal protection against drilling, pulling, and impact attacks.The durable vinyl coating that covers the lock protects not only the lock itself but also the bike frame. Speaking of bike frames: With the included Holder, the Lord can be easily attached to your bike—for example, to the Bottle Cage mounts or the Seatpost.The highly flexible steel cable can be securely locked using a 4-digit combination.
